

IANE, K1 and K2 Newsletter

October 2008

Dear Parents and Guardians,

Asslamu Alikum, I hope that everyone had a wonderful Eid celebration. This is the first of what will be our monthly newsletter/communication. There is also a daily schedule to give you a better idea of what our day looks like.

In English last month they learned letters A, B and C with their beginning word sound. This month they will be learning letters D, E, F and G with their beginning word sound and "position words" (in front of, between, above, under, behind, etc.)

Last month in math, the children learned numbers 1, 2 and 3, basic shapes (triangle, square, rectangle, circle) and counting from 1-20. This month we will be working on numbers 4, 5, 6, and 7, recognizing and writing shapes such as octagon, hexagon, trapezoid, and counting from 1-30.

In science last month they learned about bear habits for example, where they live and what they eat. This month we will be working on recognizing signs of fall and exploring apples.

Last month in Quran, the children memorized Surat Al- Ikhlas and Al-Nass, this month they will memorize Surat Al- Falak and Al- Massed.

In Arabic last month, they learned letters Alef, Baa, Taa, an Thaa and their beginning word sounds. This month they will be learning letters jeem, ham khaa, and dal with their beginning word sounds.

Note: For K1 class, they will be visually be learning the upper case letters.

K1 and K2 Teacher,
Heba Hasan
