SCHOOL CONTRACT (page 2):

Parent/Guardian Signed Statement

I (We) understand that the mission of the IANE is to instill the teaching of the Quran and Sunnah of the prophet, pbuh, in the daily school activities, educational materials and curriculum. I (We) pledge to support the mission of the IANE. I (We) agree that in case of any litigable conflict that may arise, I (We) will resolve such a conflict through arbitration; that the arbitrators, who are Muslim scholars from the IANE Sharia'a council and/or their delegates, will judge the matter based on the Quran and Sunnah of the Prophet, pbuh; and that the decision of the arbitrator is final and binding.

I (We) hereby contract with the Islamic Academy of New England to pay the school fees for my child (ren) for this academic year according to the above selected payment plan. I (We) have received and reviewed the school policies including payment and delinquent account policies. I (We) understand that failure to abide by these policies, particularly those related to the payment of fees, could result in appropriate actions which may include, entirely at the Academy's discretion, suspension or dismissal of the student(s) from IANE and the withholding of academic records and report cards, until all outstanding dues are paid, or until other arrangements are made that are acceptable to the Academy.

I (We) realize that the actual cost of school is more than what I (We) pay in term of tuition and other fees. I (We) pledge my (our) full support to Islamic Academy Of New England to do fund-raising and/or other volunteer activities. I have committed myself to fund-raise the amount of **\$ 1,000** during the academic year. I will do my best to pay or to collect the funds committed as soon as I can.
