

BoxTops Contest

Attention all Students!!

Remember to continue (or start) cutting-out those BoxTops throughout this summer. Bring your Box Tops collection in a Ziploc bag when school re-opens on August 25th, 2008 and give it to your teacher.

Your class may be the one enjoying Free Pizza and Ice-cream in March 2009, inshaAllah !!!

Target's Take Charge of Education

As you may know the TARGET store has been raising more than \$200 million for schools to date, and our school, the Islamic Academy of New England (IANE), is an eligible school for such funds from Target.

All you have to do is quote our **IANE I.D. Number 116400** to the cashier whenever you shop this summer at Target using the REDCard, Target Visa Credit Card or Target Check Card.

Target will issue payouts twice a year in September and March to our school based on 1% of all of your total purchases. These funds can be used for classroom furniture, books and more! Please visit www.target.com and enter "Take Charge of Education" to learn more about this community program.

We thank you for your kind participation and support in helping to raise funds for your child(ren)'s beloved school as you do your shopping at Target throughout the summer.

Jazakum Allahu Khairan.
