2010-11 Academic Year Pre-Registration

2010-11 registration has begun!
We have received some applications from parents confirming their children's return to IANE for next year, alhamdulillah.

These parents have also benefited from the "Earlybird" pre-registration discount! Likewise, we encourage all remaining parents to consider taking advantage of this early registration incentive and confirm their child(ren)'s place at both the Islamic Academy of New England and Al-Noor Academy. **After March 12**, registration will be opened to the community at large and admission will be on first-come basis. Enrollment will close as soon as a class reaches full capacity.

This year, both our Kindergarten and First Grade classes are functioning at full capacity. Thus, parents of these two grades are specifically encouraged to pre-register their child early to avoid any disappointment.

Jazakum Allahu Khairan.

Wassalam,
Sr Nur'Izzah Khalil
Acting Principal

Accreditation News

In this upcoming week, both Al-Noor Academy and the Islamic Academy of New England will be hosting the visiting team from NEASC as they review and measure our schools' progress against their set standards. Together with your dua'a and continuing support, our schools will come out stronger from this experience, inshaAllah!

Term 3 Progress Report

We encourage all parents and guardians to provide words of encouragement to our students as they share their Progress Report for this term with you. Review areas for improvement together to ensure that the end of term report card will be a glowing success.
