### Classroom Book Project

Our students in Kindergarten to Fifth grades are close to completing their Classroom Book project. To this end, we are sending the Order Form home today for your kind attention if you would like to purchase an actual printed copy of the book for your child.

Your purchase will mean so much to your child as it'll be a confirmation of your support and recognition of your child's class work.

The Classroom Book, in itself, is a wonderful collection of our young children's writing and it'll make for a lasting and cherished keepsake to be enjoyed and shared amongst families and friends, inshaAllah.

Jazakum Allahu Khairan.

A Scholastic Book Fair is a special reading event that is held in schools throughout the country where kids and families get to shop for their very own books! It's like a mini-bookstore, only much better! And every book has been hand-selected, reviewed and approved by reading specialists.

### **Top five reasons not to miss the Book Fair when it comes to your school, The Islamic Academy of New England :**

1. You can shop from hundreds of quality books in every price range, interest, and reading level.
2. You'll find exclusive, more affordable editions of many of the most popular books sold in retail stores.
3. You'll help your child's school earn books and funds for classrooms and libraries.
4. You'll connect with your child's school reading and literacy initiatives.
5. Best of all, you and your child will have fun choosing books together.
